

TAPIN invites you to....
Co-creating Rainbow

Possibilities of a new today

We at Tapin, believe in the power of belief.

We invite you to come together and celebrate music, poetry, dance and the colors of rainbow in us and others. We learn and understand from each other, the myriad ways of living appreciatively in communities and organizations.

Come, join and co-create this vision of a new way of being with abundance and possibilities.

At:

The Club, Andheri (W), Mumbai

Date:

April 26th, 2014

“Appreciative Inquiry (AI) is a method for studying and changing social systems (groups, organizations, communities) that advocates collective inquiry into the best of what is in order to imagine what could be, followed by collective design of a desired future state that is compelling....”. ~ Gervase R Bushe

Co-creating Rainbow will bring together people from various walks of life and celebrate the diversity of thoughts, actions, feelings, creativity and much more that is waiting to burst forth in a riot of colors – like a rainbow!. We meet with likeminded people, who practise Appreciative Inquiry (AI) consciously or unconsciously, and learn from each other various ways of being and doing AI.

"When I dream alone, it is just a dream.

When we dream together, it is the beginning of reality.

When we work together, following our dream, it is the Creation of Heaven on Earth"
